

## Join our Committee to help protect Murujuga

FARA Newsletter, April 2021

Dear FARA/Murujuga supporters,

At our recent FARA AGM we sadly farewelled several committee members due to ill health, FIFO commitments and travel plans! Therefore, **we are looking for new committee members** keen to help save Murujuga's irreplaceable petroglyphs.

**We would also be glad of help** in these areas:

- updating our website, Facebook, Mailchimp, graphic design
- setting up and staffing stalls at public events
- finding / 'clipping' relevant news articles to update our website and FB
- writing submissions, letters to politicians, etc
- research into government policy, industrial plans
- office management – filing, etc

**We meet on the first Tuesday of each month from 6 to ~8 pm** and share the best platters in town! Until 4 May we have access to Robin Chapple's offices in West Perth and after that it will be a moveable feast!

While it might be more convenient if you were in Perth, research, updating the website and submissions can always be undertaken from afar... Please email us at [info@fara.com.au](mailto:info@fara.com.au), or ring 0439 090 321 for a chat – **we would value your assistance** in preserving the cultural heritage of Murujuga.

---

While we have your attention, here are **some important upcoming events** (details: [www.fara.com.au](http://www.fara.com.au))

**14/4** – an [info session by CCWA and EDO](#) on their **challenge to Woodside's disturbing expansionist plans for a gigantic Burrup Hub**; attend or join online <https://www.facebook.com/ConservationCouncilofWA/>

**15/4** – **Woodside AGM @Perth Convention Centre, 1:30 pm Thursday 15 April**. Join FARA and allies in the climate action movement outside the Convention Centre – tell the arriving delegates you oppose Woodside's dangerous Burrup Hub project and its impact on Murujuga's rock art

**30/4** – extended deadline to **support the Uluru Statement from the Heart**  
<https://voice.niaa.gov.au/process/national-voice>

**2/5** – our **traditional May Day Stall (9-12.30) at the Fremantle Esplanade**, where we capture hearts and minds to the Murujuga cause – come and join us!

**We hope you'll join our dynamic committee or support the cause** in whatever way you can!

Yours in solidarity,

Judith Hugo & Marie Ferland, Co-convenors
